Sugar Pine Reservoir is Spilling

Sugar Pine Reservoir filled at 1:00 PM, February 4th, 2024 and is now spilling! Foresthill has a full supply of water for 2024! Managing Sugar Pine Reservoir to ensure a full water supply is a very high priority for Foresthill. 2024 is shaping up to be a good water year.

Pictured above is the Sugar Pine Spillway on February 8th, 2024.

Next Foresthill Meeting

Foresthill Elementary School
Thursday,
March 14th, 2024
at 6:00 P.M

Check your Foresthill website for an agenda which will be posted 72 hours before the meeting.

Water fun fact

In cold weather, the body's thirst response is diminished. Hydrate even in the winter!

Reservoir Updates

Rain Totals for the
calendar year 2024
= 22.69"
Average year +/- 49"

Storage = 7,093
Acre Feet

Reservoir currently
102% full

Water Assistance Program Ending

The deadline to apply for LIHWAP is March 31, 2024. The federal Water Assistance program provides financial assistance to low-income Californians to help manage their residential water utility costs. Eligibility for LIHWAP services can vary depending on income, water system participation, place of residence, and other factors. Please call Project Go Inc the federally assigned Placer County service provider to get more information on how to apply. All applications must be submitted before March 31st, 2024.

Project Go Inc: (916) 782-3443

In Case of a Water Emergency or other Emergency Shutdown What's the Best Way to Contact You?

Foresthill will use the contact information provided to reach out to you if we detected a leak or unusual water use. This can help customers avoid high water bills and allow us to send you important news and updates. Foresthill makes the necessary calls each month notifying customers of possible leaks, emergency shut-offs, and more.

If your contact information changes, please contact us at customerservice@foresthillpud.com or call the office at (530) 367-2511.
