Foresthill Repairs a Leak on Green Ridge

On June 29th, 2023 Foresthill repaired a leak at Green Ridge Drive. This leak was reported by a customer who noticed low water pressure. The repair of this leak was done within 19 hours. Approximately 25 services were affected and were interrupted for about 16 hours. Crew members are on call 24/7 for emergency maintenance and repairs. The crew didn't let the lack of sleep stop them from repairing this leak quickly and efficiently.

Update on Foresthill Road Pipeline Replacement Project Paving Restoration

Paving restoration is coming soon! Foresthill has been working with Placer County and Lund Construction to get the best possible paving restoration for the community. We are currently working out the final details and will begin the restoration very soon. The work will take just about ten days so thank you in advance for your patience.
