## District Continues to Cut Costs and Control Expenses

Forest Hill Public Utility District, California  
\$2,081,149 Series 2014 Water Revenue  
Refunding Loan (2003 Water System  
Improvement Refunding Project)

VERIFICATION REPORT  
August 8, 2014

In August of 2014 the District refinanced the Sugar Pine Dam Debt. The interest that the district will save over the 20 years totaled \$586,994.76. Ten years have passed since the refinancing, and it has remained a significant source of savings for the district, the lower interest costs and a shorter loan term.

A little comparative shopping gallon per gallon....

About \$4.65

About \$4.84

Foresthill's water less than 1¢

Compare Foresthill's water with the average cost of some other liquids that you might use daily.  
Staff delivers the community high-quality water 24/7 for less than 1¢ per gallon.

This five-year rate structure was approved by the Foresthill Public Utility District's Board of Directors after an extensive public outreach and engagement program at a public hearing on July 29, 2021.
